

## Red Dragon® Vapor Torch Kits

The all-around torches packaged in a complete kit. Rugged, all-steel construction assures durability, yet these propane torches are lightweight to allow hours of comfortable operation. Ideal for burning seeds and other agricultural and industrial uses. Red Dragon Vapor Torch Kits are complete with everything necessary to operate except the propane tank. Torch Kits are designed to operate on propane vapor only.

**All Torch Kits Contain:**

- Vapor torch, 1/4" FNPT
- LPG Hose - 10 ft.
- Excess Flow P.O.L.
- Adjusting Needle Valve
- Pipe Thread Compound
